Recap: Grand Opening of Watermark Bar at Pier 15

Watermark Bar (Pier 15 at Maiden Lane) celebrated their grand opening Wednesday night in New York City to perfect on-the-water weather.

Guests, which included actress **Rosario Dawson**, TV personality **Michael Strahan** and his fiancée **Nicole Murphy** and actress **Tichina Arnold**, enjoyed the outdoor deck situated perfectly on the water amid tall financial buildings and docked boats like the Ambrose. Oh yeah, and Watermark Bar, a 3,500 square feet of indoor and outdoor space overlooking the East River, provides the perfect location to gaze at the Brooklyn Bridge.

While New York's glitterati enjoyed music by **Cory Kennedy**, they also nibbled on Maine lobster rolls, chicken rolls, vegetable rolls, pulled pork sliders (which I wouldn't recommend), shrimp and sausage complete with honey mustard. Not to mention the booze-infused snow cones! Yum.

The shared deck chairs were perfect for snuggling — if you're into that sort of thing — or there's plenty of picnic tables for eating, drinking and taking in the breathtaking view.
